## Information Disclosure Based on TCFD Recommendations

Noritsu Koki Co., Ltd. has released climate change-related disclosures in line with the recommendations of the Task Force on Climate-related Financial Disclosures (TCFD).

We have provided information for the Group's main businesses in the four recommended disclosure categories: governance, risk management, strategy, and metrics and targets. In this disclosure we have identified risks and opportunities that climate change poses to our business and analyzed the impact of climate change through multiple scenarios, including global warming of up to 2°C. We have also estimated the projected financial impact in 2030.

More details about the disclosures can be found on our website under Sustainability > Climate Change Initiatives (Information Disclosure Based on TCFD Recommendations) (<https://www.noritsu.co.jp/sustainability/tcf/en>).

Noritsu Koki will continue to step up its efforts to address climate change, expand disclosure content, and contribute to the creation of a sustainable society through its business activities.
